MOHAMMED HAJJI

PERSONAL PROFILE • 2026

A Little Bit of Everything,
A Lot of Ambition

ABOUT ME

A creative, ambitious, and independent guy from Morocco. A software developer by profession, a cook by passion, and someone who believes life is about building something meaningful, enjoying the little things, and sharing genuine moments with the right person.

CAREER & TALENTS

- Software developer specializing in mobile and web technologies.
- Professional cook specializing in traditional Moroccan cuisine.
- Creative mind with a passion for technology, design, and entrepreneurship.
- Former UNICEF Morocco volunteer involved in youth and community projects.

LANGUAGES

Arabic • English • French • Tagalog • Bahasa Indonesia

WHAT I BRING TO THE TABLE

- Good conversations, humor, and a curious mind.
- The ability to turn a kitchen into a Moroccan restaurant.
- Ambition, creativity, and a desire to keep growing.
- A genuine appreciation for meaningful connections and quality time.

LOOKING FOR

Someone genuine, caring, and fun to be around. A person with whom I can share laughs, dreams, adventures, and the ordinary moments that make life special.

CURRENT STATUS

Open to a meaningful connection. No experience required, just good vibes and genuine intentions. ■
